

# Intentions (feat. Dan Caplen)

## Macklemore

[Verse 1: Macklemore]

I wanna be sober, but I love gettin' high  
Wanna give it a hundred percent, but I'm too afraid to try  
I wanna be faithful, but love hookin' up with randos  
I wanna live by the law, but still think like a vandal  
I wanna get exercise, but I'm too lazy to workout  
I want all the finer things, but don't wanna go to work now  
I wanna go outside, take my family to the beach  
I wake up in the morning, first thing I do is look at a screen, at a screen[Pre-Chorus: Macklemore]

Wanna live freely, why isn't it so easy?  
I should read a book, but I keep watchin' this TV  
And I know this lifestyle doesn't really feed me  
I just tune out to the voice inside that's speaking

[Chorus: Dan Caplen]

All my little problems keep on buildin' up, and buildin' up  
All my good intentions just ain't good enough, can't find the love  
So I smoke until my lungs are full  
And drink until I lose my cool  
Apology's my middle name, and one day I will change, but  
I'm okay with who I am today

I'm okay with who I, who I am today[Verse 2: Macklemore]

I want world peace, but I wanna watch Worldstar  
I know that I should stay home, and still wanna kick it where the girls are  
I wanna be a feminist, but I'm still watchin' porno  
I wanna eat healthy, but I'ma eat this DiGiornos  
We live on social media, read other people's thoughts  
Tweet about justice, but don't show up to the march  
I think about the earth, and I think about the eco  
What am I willin' to sacrifice at the expense of my ego?

[Pre-Chorus: Macklemore]

Wanna live freely, why isn't it so easy?  
I should read a book, but I keep watchin' this TV  
And I know this lifestyle doesn't really feed me  
I just tune out to the voice inside that's speaking[Chorus: Dan Caplen]

All my little problems keep on buildin' up, and buildin' up  
All my good intentions just ain't good enough, can't find the love  
So I smoke until my lungs are full  
And drink until I lose my cool  
Apology's my middle name, and one day I will change, but

I'm okay with who I am today  
I'm okay with who I, who I am today  
I'm okay with who I am today  
I'm okay with who I, who I am today
