

The Music of the Night

[Andrea Bocelli](#)

Night time sharpens, heightens each sensation
Darkness stirs and wakes imagination
Silently the senses abandon their defenses
Slowly, gently, night unfurls its splendor
Grasp it, sense it, tremulous and tender
Turn your face away from the garish light of day
Turn your thoughts away from cold, unfeeling light
And listen to the music of the night
Close your eyes and surrender to your darkest dreams
Purge your thoughts of the life you knew before
Close your eyes, let your spirit start to soar
And you'll live as you've never lived before
Floating, falling, sweet intoxication
Touch me, trust me, savor each sensation
Let the dream begin, let your darker side give in
To the power of the music that I write
The power of the music of the night
Open up your mind, let your fantasies unwind
You and I can make my song take flight
Help me make the music of the night
