

Uvumilivu (Version 1)

[K. Sher](#)

K. Sher - Uvumilivu
Uvumilivu umenishinda
(baby I love you)x3
Songea karibu yangu
(Nipe raha)x 3

Mara ya kwanza mi nakuona
siku flani
Sikuhisi ungeingia moyoni
Mara muda kanichoka burudani
Mpaka home kajitupa kitandani
Uvumilivu Umenishinda
Baby I love you
Sikukwambia na amini ulijua
Na Sometimes namcall
mpaka night (ooh baby boy)
