

Once a Day

Connie Smith

When you found somebody new
I thought I never would
Forget you
For I thought then I never couldBut time has taken all the pains away
Until now, I'm down to hurtin'
Once a dayOnce a day
All day long
And once a night
From dusk till dawnThe only time
I wish you weren't gone
Is once a day
Everyday, all day longI'm so glad that I'm not like
A girl I knew one time
She lost the one she loved
Then slowly lost her mindShe sat around and cried her life away
Lucky me
I'm only cryin' once a dayOnce a day
All day long
And once a night
From dusk till dawnThe only time
I wish you weren't gone
Is once a day
Everyday, all day longOnce a day
Everyday, all day long
