

# Ave Maria

## Beyonce Knowles

She was lost in so many different ways  
Out in the darkness with no guide  
I know the cost of a losing hand  
Never thought the grace of God go high I found heaven on earth  
You were my last, my first  
And then I hear this voice inside  
Ave Maria I've been alone when I'm surrounded by friends  
How could the silence be so loud?  
But I still go home knowing that I've got you  
There's only us when the lights go down You are my heaven on earth  
You are my hunger, my thirst  
I always hear this voice inside  
Singing Ave Maria Sometimes love can come and pass you by  
While you're busy making plans  
Suddenly hit you and then you realize  
It's out of your hands, baby you got to understand You are my heaven on earth  
You are my last, my first  
And then I hear this voice inside  
Ave Maria, Ave Maria, Ave Maria
