

# Unconditional

## Oficina G3

Unconditional, unconditional  
Unconditional, unconditional  
Who else would let someone nail them to a cross  
For the sake of others so they would not be lost  
    No one, no one will go that far for us  
Who else would let someone get away with so much wrong  
    But still extend them grace  
    No one, no one have so much love for us  
    The kind of love He shows is unconditional  
    His love don't come and go it's unconditional  
    Who else but Him, He's a constant friend  
    Even when others turn their backs against  
    No one, oh no one is always there for us  
    So what kind of love  
    The kind of love He shows is unconditional  
    His love don't come and go it's unconditional  
    The kind of love He shows is unconditional  
    His love don't come and go it's unconditional  
So even when your closest friends and family give up on you  
    There's not a day when you can't depend on Him  
    The kind of love He shows is unconditional  
    His love don't come and go it's unconditional  
    The kind of love He shows is unconditional  
    His love don't come and go it's unconditional  
    The kind of love He shows is unconditional  
    His love don't come and go it's unconditional
