

ELT - King Size Demo Version

Wilco

I, I should've been listening
To every word you said
Oh, what have I been missing
Wishing, wishing that you were dead I didn't mean to be so disturbing
So far from home
Oh, what have I been learning
By being all alone Every little thing
Every little thing
Every little thing
(Is gonna) Just tears you apart Every little thing
Every little thing
Every little thing
(Is gonna) Just tears you apart When, when we were younger
Sleep while I'm awake
I was trying to keep the door locked
I realize that's a mistake Every little thing
Every little thing
Every little thing
Is gonna tear you apart Every little thing
Every little thing
Every little thing
Is gonna tear you apart Every little thing that you do
Seems so much better than I could do
Oh, I should've been listening
To every word you said Every little thing
Every little thing
Every little thing
Is gonna tear you apart Every little thing
Every little thing
Every little thing
Is gonna tear you apart (it's gonna) Every little thing (it's gonna)
Every little thing (it's gonna)
Every little thing (it's gonna)
Is gonna tear you apart Every little thing (it's gonna)
Every little thing (it's gonna)
Every little thing (it's gonna)
Is gonna tear you apart It's gonna
It's gonna
It's gonna tear you apart It's gonna

It's gonna
It's gonna tear you apart
