Rainbow Connection

Lea Salonga

Why are there so many
Songs about rainbows?
And what's on the other side
Rainbows have visions
And only illusions
Rainbows have nothing to hide
So we've been told
And some choose to believe it
I know they're wrong wait and see
Someday we'll find it
The rainbow connection
The lovers, the dreamers and meWho says that every wish
Would be heard and answered
When wished on a morning star
Somebody thought of that
And someone believed it
Look what it's done so far
What's so amazing
That keeps us star-gazing?
And what do you think we might see
Someday we'll find it
The rainbow connection
The lovers, the dreamers and meCoda:
All of us under it's spell
We know that it's probably magicHave you been half asleep
And have you heard voices
I've heard them calling my name
Is this the sweet sound
That calls the young sailors
The voice might be one and the same
I've heard it too many times to ignore it
It's something that I'm supposed to be
Someday we'll find it
The rainbow connection
The lovers, the dreamers and me
