

# Youth Of Eglinton

## Black Uhuru

The youths of Eglinton  
Won't put down their Remington  
The youth of Brixton  
They have their 45 Smith and  
Wesson pistol pistol  
The youth of Utica Avenue  
They just can't keep cool  
So much gun shot some  
cripple some turn fool  
They are responsible for a lot  
of children  
And they need food  
And they want to go to school  
I say the youth of Eglinton  
Won't put down their Remington  
I say the youth of Kingston  
Won't leave their Magnum  
pistol pistol  
A very thin line to start the crime  
Who will be the first to  
volunteer  
You love you love your fuckery  
Get up and get yourself together  
You hear the words of Jah Jah  
coming from the hill top of  
Dabra Dabra  
Keep you strength  
The youth of Eglinton  
Won't put down their Remington  
I say the youth of Brixton  
They put down their 45 Smith  
and Wesson pistol pistol Stop and listen  
They want you to fight the good fight  
But save you strength  
For strength of life  
The youths in Africa  
All a dem a thriller I say the youth of Eglinton  
Won't put down their Remington  
The youth of Kingston

Won't leave their Magnum  
pistol pistol  
Poor Jill she was a spill  
she got hit by a stray shotThe youths of Eglinton  
Won't put down their Remington  
The youths of Brixton  
They put down their 45 Smith  
and Wesson pistol pistol
