

# Mistaken

## Myk Bee

"Mistaken"

[Intro:]Mmmmm Ohhhh yeah

oh woowowoowoo ahh

[Verse 1:]See I cant Understand

Why my man raise his hand

Do it all thick and thin

Was you a rider to the end

Did my best to forget

Like everything was cool

And you aint into

But I wont be a fool

[Bridge 1:]No more excuses

?Bout to lose it

I cant do this

Your games and all your lies are useless

[Chorus:]Ohhhh I cant believe you went and did me wrong

Never thought I would make it on my own

You must have me mistaken for the BITCH that you was dating on the low

Ohhh I'm better off now that I'm all alone

Cause ain't no way I?m waiting by the phone

So can you take it baby??

She can freak you crazy

Put it on you daily like OHhh!

[Verse 2:]La la la la la la la la laaaaaaaa

Sick in tired of how it feel

Couldn?t you just keep it real?

Wasn't I good enough?

Didn?t I show you love?

Time and time day the day

You had to have your way

You were steady in my face

Said I?m easy to replace

[Bridge 2:]No more lying

Left me crying

No more Buying

Your games and all your lies about your Ohhh...

[Chorus:]Ohhhh I cant believe you went and did me wrong

Never thought I would make it on my own

You must have me mistaken for the BITCH that you was dating on the low

Ohhh I'm better off now that I'm all alone

Cause ain't no way I'm waiting by the phone

So can you take it baby??

She can freak you crazy

Put it on you daily like Ohh!

[Verse 3:]Your never be a part of me again

Between the sheets with me

On top of you again

Hope she makes you happy

Happy till the end

Nothing last forever

You know that I'm better

Try to tell your friends that I aint worth the time

Now I'm gone I'm constantly on your mind

When you hear the song go ahead and press rewind

Wish we were together

Baby boy no never!

[Bridge 3:]No more excuses

?Bout to lose it

I cant do this

Your games and all your lies are useless

No more lying

Left me crying

No more Buying

Your games and all your lies about your Ohhh...

[Chorus:]Ohhhh I cant believe you went and did me wrong

Never thought I would make it on my own

You must have me mistaken for the BITCH that you was dating on the low

Ohhh I'm better off now that I'm all alone

Cause ain't no way I'm waiting by the phone

So can you take it baby??

She can freak you crazy

Put it on you daily like Ohh!
