Boys

Britney Spears

For whatever reason, I feel like
I've been wanting you all my life
You don't understand, I'm so glad
We're at the same place at the same time
And it's over now, I spotted you dancin'
You made all the girls stare
Those lips and your brown eyes
And the sexy hair
I should shake my thing
And make the world want you
Tell your boys you'll be back
I wanna see what you can do
What would it take for you to just leave with me?
Not tryin' to sound conceited but you and me are meant to be
You're a sexy guy, I'm a nice girl
Let's turn this dance floor into our own little nasty world
Boys, sometimes a girl just needs one
Boys, to love her and to hold, to touch me
Boys, and when a girl is with one
Boys, then she's in control
Took the boy off the dance floor
Screaming in his ear
Must've said somethin' 'bout me
'Cause he's lookin over here
You lookin' at me
With a sexy attitude
But the way your boys movin' it
It puts me in the mood

What would it take for you to just leave with me?
Not tryin' to sound conceited but you and me are meant to be
You're a sexy guy, I'm a nice girl
Let's turn this dance floor into our own little nasty world
Boys, sometimes a girl just needs one
Boys, to love her and to hold
Boys, and when a girl is with one
Boys, then she's in control
Tonight let's fly, boy, have no fear
There's no time to lose and next week

You may not see me here
So boy just make your move
Boys, sometimes a girl just needs one
Boys, to love her and to hold
Boys, and when a girl is with one
Boys, then she's in control
Come with me, let's fly into the night
Oh boy, tonight is ours
When huggin' me make sure
You hold me tonight
Let's head for the stars, get nasty
Boys, sometimes a girl just needs one
Boys, to love her and to hold
Boys, and when a girl is with one
Boys, then she's in control
Can't live with 'em
Can't live without 'em
