

Hey Stephen (Instrumental With Background Vocals)

Taylor Swift

Hey Stephen, I know looks can be deceiving
But I know I saw a light in you
And as we walked we would talk
And I didn't say half the things I wanted to
Of all the girls tossing rocks at your window
I'll be the one waiting there even when it's cold
Hey Stephen, boy you might have me believing
I don't always have to be alone 'Cause I can't help it if you look like an angel
Can't help it if I wanna kiss you in the rain, so
Come feel this magic I've been feeling since I met you
Can't help it if there's no one else
Mmm I can't help myself Hey Stephen, I've been holding back this feeling
So I've got some things to say to you
I've seen it all, so I thought
But I've never seen nobody shine the way you do
The way you walk, way you talk, way you say my name
It's beautiful, wonderful, don't you ever change
Hey Stephen, why are people always leaving
I think you and I should stay the same 'Cause I can't help it if you look like an angel
Can't help it if I wanna kiss you in the rain, so
Come feel this magic I've been feeling since I met you
Can't help it if there's no one else
Mmm I can't help myself They're dimming the street lights, you're perfect for me
Why aren't you here tonight?
I'm waiting alone now so come on and come out
And pull me near and shine, shine, shine Hey Stephen, I could give you fifty reasons
Why I should be the one you choose
All those other girls, well they're beautiful
But would they write a song for you? 'Cause I can't help it if you look like an angel
Can't help it if I wanna kiss you in the rain, so
Come feel this magic I've been feeling since I met you
Can't help it if there's no one else I can't help myself if you look like an angel
Can't help it if I wanna kiss you in the rain, so
Come feel this magic I've been feeling since I met you
Can't help it if there's no one else
Mmm I can't help myself
myself
Mm
I can't help myself

I can't help myself

Oh, Oh,

Mm

Mm
