I'm Not Calling You

Lifetime

I'm not calling you, because I swore I'd never let it.
I'm not calling you, though I'm feeling quite pathetic.
I'm not calling you. (2x)
I'm not calling you, because I swore I'd never let it.
I'm not calling you, though I'm feeling quite pathetic.
I'm not calling you. (5x)
I'm feeling pathetic.
I'm not calling you. (2x)
