

# I'm Not Calling You

## Lifetime

I'm not calling you, because I swore I'd never let it.  
I'm not calling you, though I'm feeling quite pathetic.  
I'm not calling you. (2x)  
I'm not calling you, because I swore I'd never let it.  
I'm not calling you, though I'm feeling quite pathetic.  
I'm not calling you. (5x)  
I'm feeling pathetic.  
I'm not calling you. (2x)
