

# Forget Your Name

## De Palmas

In the morning without a sound  
This kind of love can never be found  
Makes me coffee she lets me sleep  
But disappointment is waiting for me  
I wanna forget your name  
(you're not a lover)  
you're not a lover  
But I'm the one to blame  
I wanna forget your name  
(you're not a lover)  
You make me lose it all  
You make me lose it all  
Here I am  
Hear me say  
Rise and Shine  
It's a beautiful day  
Used to run after you  
No ... no... no  
Now I don't because I got to know you  
I wanna forget your name  
(you're not a lover)  
You're not a lover  
But I'm the one to blame  
I wanna forget your name  
(you're not a lover)  
You make me lose it all  
You make me lose it all  
I wanna forget your name  
(you're not a lover)  
You're not a lover  
But I'm the one to blame  
I wanna forget your name  
(you're not a lover)  
You make me lose it all  
you make me lose it all
