

# My Blue Heaven

[Al Jolson, Bing Crosby](#)

When whippoorwills call and evening is nigh  
I hurry to my Blue Heaven  
A turn to the right, a little white light  
Will lead me to my Blue Heaven I'll see a smiling face, a fireplace, a cozy room  
A little nest that nestles where the roses bloom  
Just Julie and me, and baby makes three  
We're happy in my Blue Heaven You know I'm gonna see a smiling face, a fireplace, a cozy room  
A little nest that nestles where the roses bloom  
Just Julie and me, little baby makes three  
We're happy in my Blue Heaven
