# Nobody Can Save Me Now

## Suuns

Mister, mister can you help a friend?
I've been down so down took more than I could stand.
I went down ... by the river bed
But no one came... so I left
My son forget everything I said
Don't go reading between the lines just fucking with your head.
Don't you know don't you know nothing comes free?
But I felt you and I knew that you loved me.
uhhhhhh nobody can save me now
uhhhhhh nobody can save me now
do do do you want do you want down(?)
