

Lady

Light Pilot

I'm crazy for this little lady
I'm freaking for my little baby
'Cause she makes me feel good

She's so fine

Don't need all my other ladies

I'm beggin' for this little lady

'Cause I tell you she's cool

She's divine

I know she's a super lady

I'm weak and I've gone hazy yeah

I'm crazy for that lady

She's chic but she's not shady yeah

Sophisticated lady

And she makes me feel good

She's so fine

Never knew there was such a lady

That would make me want to straighten

Out my life at this time but I find

I'm thinkin' 'bout this pretty lady

I would love her good as my own baby

'Cause you know she's no fool

She's refined

I know she's a super lady

I'm weak and I've gone hazy yeah

I'm crazy for that lady

She's chic but she's not shady yeah

Sophisticated lady

And she makes me feel good

She's so fine

Yeah

Don't you know she blows my mind

All the time

'Cause she makes me feel good

Like a real woman should

Yeah

She's so mine

Yeah

I'm weak and I've gone hazy yeah

I'm crazy for that lady

She's chic but she's not shady yeah
Sophisticated lady
And she makes me feel good
And she makes me feel good
And she makes me feel good
She's so fine
Yeah
Don't you know she blows my mind
All the time
And she makes me feel good
Like a real woman should
Yeah
All the time
Yeah
Yeah Yeah Yeah Yeah
