

Where Do We Go From Here

Alicia Keys

We're at the crossroads my dear
Where do we go from here?
Maybe you won't go, maybe you'll stay
Oh I know I'm gonna miss you either way
It's such a lonely road
Where do we go from here?
All I can do is follow the tracks of my tears
Oh! When I cry your name am I calling in vain?
Or am I waiting only to drown in pain?
Oh! Don't you do it, no, said don't you leave me this way
I don't know if I can lift my head and face another day
Ooh, it's such a lonely road
Where do we go from here?
All I can do is follow the tracks of my tears
Usually not the kind of girl who's lost and looking for direction
Who could this be staring at me?
When I'm looking in the mirror tryna find a resolution
Are we too far gone to find our way home?
Where do we go from here?
All I can do is follow the tracks of my tears, oh
Where do we go from here?
(Maybe you won't go, maybe you'll stay)
All I can do is follow the tracks of my tears
(Follow either way)
