Let You Know

Hoobastank

I just thought that I'd let you know
That although I'm far, I'm close to you within
And all the time spent by your side
Is taken deep in me, held for me to keepTo look upon when I'm feeling like
Everything and one is hurting me for something or other
It takes me to a better place
Where I'd rather go thought I'd let you knowWho you are, what you do
Makes me burn to be in you
Who you are, what you do
I'm burning to be in youI just thought that I'd let you know
Being near you is a gift I only wish I could treasure
But for now I'll sit and wait
I'm still burning though, thought I'd let you knowWho you are, what you do
Makes me burn to be in you
Who you are, what you do
I'm burning to be in youThought I'd let you know
Feels like I'm falling
I'm all on my own
Thought I'd let you know
It feels like I'm falling
I'm all on my own
Thought I'd let you knowWho you are, what you do
Makes me burn to be in you
Who you are, what you do
I'm burning to be in youWho you are, what you do
Makes me burn to be in you
Who you are, what you do
I'm burning to be in you
