

# Didn't It Rain (feat. Mahalia Jackson)

[Glen David Andrews](#)

Didn't it rain children  
Talk about rain oh my Lord  
Didn't it fall didn't it fall  
Didn't it fall my Lord didn't it rain  
Oh it rained forty days  
And it rained forty nights  
There was no land no where in sight  
God send the angel to spread the news  
He haste his wings and away he flew  
To the East to the West  
To the North to the South  
All day all night  
how it rained how it rained  
Didn't it rain children  
Talk about rain oh my Lord  
Didn't it fall didn't it fall  
Didn't it fall my Lord didn't it rain  
Some at the window some at the door  
Some said Noah can't you take a little more  
No no said Noah no no my friends  
The nature got to keep you can't get in  
I told you I told you a long time ago  
You wouldn't hear me you disobey me  
Lord send the angel a warning to you  
It began to rain and now you are through  
Well it rained forty days  
Forty nights without stopping  
Noah was glad  
When the rain stopped dropping  
Knock at the window knock at the door  
Come on brother Noah  
Can't you take little more  
No no my brothers you are full of sin  
God has the key you can't get in  
Would you listen how it rained  
Didn't it rain children  
Talk about rain oh my Lord  
Didn't it fall didn't it fall

Didn't it fall my Lord didn't it rain
