

# I Want You

## Inspiral Carpets

No one ever said it was gonna be easy  
A pain to tease me, the barrier's broken  
Climbing aboard on a white knuckle, ride  
Churns my insides and the wheels are in motion I want you  
My heart is set, harder and harder  
The chance of defeat is not in my nature  
I've set a course and you're the receiver  
I'm the retriever, I'm out to get you I want you, right now and forever  
No one ever said it was gonna be easy  
A pain to tease me, the barrier's broken  
Climbing aboard on a white knuckle, ride that  
Churns my insides and the wheels are in motion I want you, right now and forever  
I want you, right now and forever  
I want you, right now and forever The barrier's broken  
The barrier's broken  
The barrier's broken  
The barrier's broken  
I want you
