

Either Way (feat. Chris Brown)

[K. Michelle](#)

Either way

Either way

Either way

Either way, either way Ass shots, real or fake
That ass gon' jiggle, for 'em anyway
Ain't fuckin' with me on your best day
I don't like you, but I love how your man lick the plate
I know you seen what I post today
Diamonds up like Jay, crazy on my Kanye
'cause I need, someone to do, somewhere to play
Fuck it, I might Uber me a Jet today
Yeah, yeah, yeah
They don't like me, what they say?
I hear rumors, I feel the hate
But, I'm okay, I'm young and rich
I be high all day (ooh) Either way, I'm gon' be straight
Damn, my life is great (woo)
Sleeping good at night
In the morning eating eggs and steak (yeah, yeah)
Sleep 'fore I wake, I'm gon get this money either way
Either way, either way
Either way, I'm gon' be straight
Damn, my life is great (woo)
Sleeping good at night
In the morning eating eggs and steak (yeah, yeah)
Sleep 'fore I wake, I'm gon get this money either way
Either way, either way
Either way, I'm gon' brazy with my braids
Where my shades? See the face
All the diamonds blunted, that's why your bitch came
And she stay, she ain't scared that I got felonies
Love a country nigga, with the pot
Teachin' hoes my new recipe
She never kiss and tell
Give her coin in a wishing well
You buy your bitch a Michael Kors
I buy my bitch a Richard Mille
My girl got booty like K. Michelle
If I pay her bills, she gon' pay my bail

Paper trail, nigga oh well
Louboutin, shawty toe nails
I turn your bitch into a coat, yeah
I don't give a fuck I get a lot of love, you get a lot of nothin'
He don't hit you when he sober
'cause you getting my left overs
Maybach, Maybach, Maybach
He pull up in a Maybach
I pull up in a 'rari
Skrrt, on his ass, nigga I ain't sorry They don't like me, what they say?

But, I'm okay, I'm young and rich
I be high all day (ooh) Either way, I'm gon' be straight

Sleeping good at night
In the morning eating eggs and steak (yeah, yeah)
Sleep 'fore I wake, I'm gon get this money either way

Either way, either way I-i-i got a whole lot of paper (cash)
I got a whole lot of haters (uh)
Bitch I be drippin' in sauce

Riding your little Benz, with all of your friends
I just keep it solo, be perking on 10's
Want me to end, but bitch i'ma win
Bitch I done won, and i'ma show 'em
'cause I ride the dick, like a Harley
2Pac is bad, gangster party
Got a fetish for head in a Maserati
Gucci all up and down, that's what's on my body
Damn bruh, damn bruh, damn bitch, bitch
Steady talkin' shit, when you don't write your own hits?
Yeah, yeah, yeah They don't like me, what they say?
