

Roseblood (Weeping Willow)

Star Scream

Shes a weeping willow
Works at a London peepshow
Shes in love with sorrow
It stops her feeling hollow
And they call her Roseblood
You can look but dont touch
Yes they call her Roseblood Insert coin then enjoy your five minutes of pleasure
Insert coin and destroy a girl whos sinking deeper
Weeping Willow turns away and glows dimmer now
But more boys insert coins now and forever more She walks alone at night
Under the frozen skylines
No one to see her cry
Drown out the thoughts in her mind
And they call her Roseblood
You can look but dont touch
Yes they call her Roseblood Insert coin then enjoy your five minutes of pleasure
Insert coin and destroy a girl whos sinking deeper
Weeping Willow turns away and glows dimmer now
But more boys insert coins now and forever more Forever more
Insert coin
Wind her up and watch her go! ha! ha! ha! Insert coin then enjoy your five minutes of pleasure
Insert coin and destroy a girl whos sinking deeper
Weeping Willow turns away and glows dimmer now
But more boys insert coins now and forever more
