Happy New Year

A-teens

No more champagne
And the fireworks are through
Here we are, me and you
Feeling lost and feeling blue
It's the end of the party
And the morning seems so grey
So unlike yesterday
Now's the time for us to say...
Happy new year

May we all have a vision now and then Of a world where every neighbour is a friend

Happy new year

Happy new year Happy new year

May we all have our hopes, our will to try If we don't we might as well lay down and die

You and I

Sometimes I see

How the brave new world arrives

And I see how it thrives

In the ashes of our lives

Oh yes, man is a fool

And he thinks he'll be okay

Dragging on, feet of clay

Never knowing he's astray

Keeps on going anyway...

Happy new year

Happy new year

May we all have a vision now and then Of a world where every neighbour is a friend

Happy new year

Happy new year

May we all have our hopes, our will to try If we don't we might as well lay down and die

You and I

Seems to me now

That the dreams we had before

Are all dead, nothing more

Than confetti on the floor
It's the end of a decade
In another ten years time
Who can say what we'll find
What lies waiting down the line
In the end of ninety-nine...

Happy new year
Happy new year
May we all have a vision now and then
Of a world where every neighbour is a friend

Happy new year Happy new year

May we all have our hopes, our will to try
If we don't we might as well lay down and die
You and I
