Superhero

Luke Conard & Landon Austin

I will save you
Every time you need a rescue
When theres no stars at night
Ill stay until the sun shinesBut you want something that
I will never be
So I just need you to knowI may not be able to fly
But Ill take you on adventures
I may not move at the speed of light
But if you need me Ill be thereOoooooh
Ill save the day when you start to lose hope
Oooooh
But I will never be a superhero
Ill never be a superhero
Ill never be a superheroDont get me wrong Id
Love to have my own theme song
No one knows my real name
Just you, dont give me awayBut you want something that
I will never be
So I just need you to knowI may not be able to fly
But Ill take you on adventures
I may not move at the speed of light
But if you need me Ill be thereOoooooh
Ill save the day when you start to lose hope
Oooooh
But I will never be a superhero
Ill never be a superhero...No matter how hard I try
Or baby how long I fight
Ill never be
No Ill never be
Just shine a light in the sky
And girl Ill be there tonight
But Ill never be
No Ill never be a superheroI may not be able to fly
But Ill take you on adventures
I may not move at the speed of light
But if you need me Ill be thereI may not be able to fly
But Ill take you on adventures
I may not move at the speed of light
But if you need me Ill be thereOoooooh

Ill save the day when you start to lose hope
Oooooh
But I will never be a superhero
Ill never be a superhero
Ill never be a superhero
