

# Do Me

## Teddy Pendergrass

Do me, do me, will you do me?  
Shoot me, groove me, shoot me, groove me  
Shoot me, shoot me, come on, do it like this  
Do it like that, oh yeah, yeah, yeah I never had nobody that love me the way you do  
Said, it's real, so real  
I never knew how good and true love  
Can make me feel, make me feel  
I surely love you, baby, without digging my soul That's why, that's why I want you to do me  
Do me, would you do me?  
Shoot me, groove me, shoot me, groove me  
Shoot me, would you just groove me?  
Come on, do it like this, do it like that Hurry up and come home when you get off work today  
Right away, right away  
So you and me can have some fun, you and me  
We know how to play, how to play  
I like the way you treat me, woman  
Your personality [Incomprehensible] That's why, that's why I want you to do me  
Do me, would you just do me?  
Shoot me, groove me, shoot me, groove me  
Shoot me, would you just groove me?  
Come on, do it like this  
Oh, that felt so good, do it like that I ain't never had nobody love me the way you do  
Said, it's real, so real  
I never knew how good and true love  
Can make me feel, make me feel  
I surely love you, baby, without digging my soul That's why, that's why I want you to do me  
Do me, come and do me  
I want you to shoot me, groove me, shoot me, groove me  
Shoot me, would you just groove me? Come on, do it like this, that felt so good, that  
Do it again, do it like this, then do it like that  
Come on, do it like this, that, oh yeah, come on now Do me, do me, would you just do me?  
I want you to shoot me, groove me  
Shoot me, groove me  
Shoot me, would you just groove me? Come on, do it like this, that felt good  
Then we can do it like that  
Oh, come on, woman, do it like this  
Do it like that, I want you to do it like this, that  
Oh yeah, oh yeah Groove me, groove me  
Would you just groove me?

I want you to shoot me, groove me, shoot me  
Groove me, groove me I want you to do it like this, it felt so good  
Do it like that, oh, little bit to the left  
Do it like this, then we do it like that  
Come on, do it like this, that  
Oh yeah, yeah, yeah, groove me This, felt so good, do it like that  
Don't stop, don't hold the do, do it like this  
Do it like that, come on, girl, do it like this
