

Buckle Bunny

Roosevelt Road

Yaâ€™ll know the kind of girl that hangs out at the club
Try to get behind the chutes and hope it lies on scrubs
Got on a Toby Keith straw hat and she loves for me to sing so she can shake her da da da da
Wow let me see what youâ€™re working with, I donâ€™t know your momma but looks like she gave you quite a gi
Sheâ€™s telling me sheâ€™s a gypsy soul but all I see is a rodeo
She a buckle bunny and she dance funny
Says her daddy owns a ranch while she tugging at my pants bunny
She hangs at midnight rodeo never been on the back of a horse you know
But she loves Chevroletâ€™s and the way that Jim ole buckles Blane
She knows every song I sing, sheâ€™s a buckle bunny and she drives me insane
Drop it low drop it low drop it low girl
Let me see you with the Conchos on the floor girl
You can shake it to some Willy and some damn Merl
Back it up back it up like a cowgirl
Step out the stir up, stir up some shit
Go to hand out the hit theyâ€™re supposed to get double R lit like a cigarette
These buckle bunny chicks ainâ€™t as bad as it gets
Get loose get loose sipping vodka and juice
I wanna see what it do though to tell you the truth so
Saddle up momma lets trip like arioso and when I asked if she had it her reply was mucho
She a buckle bunny and she dance funny
Says her daddy owns a ranch while she tugging at my pants bunny
She hangs at midnight rodeo never been on the back of a horse you know
But she loves Chevroletâ€™s and the way that Jim ole buckles Blane
She knows every song I sing, sheâ€™s a buckle bunny and she drives me insane
Drop it low drop it low drop it low girl
Let me see you with the Conchos on the floor girl
You can shake it to some Willy and some damn Merl
Back it up back it up like a cowgirl
Oh boys youâ€™re gonna see what itâ€™s like when she steps out onto the scene
Itâ€™s kinda like too much shoshene to protein
Da da da da da
