

Goody Two Shoes (Louis Laroche Edit) (Rip)

Duck Sauce

Well if I'm good to you
You've got to be
Good to me
You've got to be, you've got to be Well if I'm good to you (gotta be)
You've got to be (gotta be)
Good to me
I know, I know Well if I'm good to you
You've got to be
Good to me
You've got to be, you've got to be Well if I'm good to you (gotta be)
You've got to be (gotta be)
Good to me
I know, I know
Well if I'm good to you
You've got to be
Good to me
You've got to be, you've got to be Well if I'm good to you
You've got to be Well if I'm good to you
You've got to be
Good to me
You've got to be, you've got to be Well if I'm good to you (gotta be)
You've got to be (gotta be)
Good to me
I know, I know Well if I'm good to you
You've got to be
Good to me
You've got to be, you've got to be
