

# Welcome to the Real World

Jane Child

Fact is often much stranger  
Than fiction, no danger  
It's easy to ignore it  
Hide your head and  
Don't look for itAin't no way to run a universe  
Someone's holding the strings of the purse  
Got his finger on the trigger  
Will he pull it do you figureWelcome to-  
To the Real World  
Welcome to-  
To the Real WorldWho's winning the human race  
Who's running, who's setting the pace  
Makes my blood boil in defiance  
I fall to my knees and pray for guidanceIt's raining, it's pouring  
The old man is snoring  
Went to bed with  
A hole in his head  
And didn't wake up  
In the morningWelcome to-  
To the Real World  
Welcome to-  
To the Real WorldLet the world see, let yourself be  
Love each other, just like you and me  
Something's got to give, better sooner  
Than later, uh oh, oh noSomewhere, someone, somehow, someday  
We will find a way  
Somewhere, someone, somehow, somedayWelcome to the real world
