

# Waiting for a Star to Fall

## Boy Meets Girl

I hear your name whispered on the wind  
It's a sound that makes me cry  
I hear a song blow again and again  
Through my mind and I don't know why  
I wish I didn't feel so strong about you  
Like happiness and love revolve around you  
Trying to catch your heart  
Is like trying to catch a star  
So many people love you, baby  
That must be what you are  
Waiting for a star to fall  
And carry your heart into my arms  
That's where you belong  
In my arms baby, yeah  
I've learned to feel what I cannot see  
But with you I lose that vision  
I don't know how to dream your dream  
So I'm all caught up in superstition  
I want to reach out and pull you to me  
Who says I should let a wild one go free  
Trying to catch your heart is like  
Trying to catch a star  
But I can't love you this much, baby  
And love you from this far  
Waiting for a star to fall  
And carry your heart into my arms  
That's where you belong  
In my arms baby, yeah  
Waiting  
(However long)  
I don't like waiting  
(I'll wait for you)  
It's so hard waiting  
(Don't be too long)  
Seems like waiting  
Makes me love you even more  
Waiting for a star to fall  
And carry your heart into my arms  
That's where you belong  
In my arms baby, yeah
