

Grace Will Always Be Greater Than Sin

The Hoppers

In holy pages this truth can be found
A promise to stand on when darkness abounds
Oh, right never loses and wrong never wins
And grace will always be greater than sin

Grace will always be greater than sin
Calvary has proven it time and again
Whatever youâ€™ve done
Wherever youâ€™ve been
Godâ€™s grace will always be greater than sin

Broken and bruised from the choices youâ€™ve made
Sin has a price and so often youâ€™ve paid
Oh, but Jesus is waiting
New hope is in Him
And grace will always be greater than sin

Grace will always be greater than sin
Calvary has proven it time and again
Whatever youâ€™ve done
Wherever youâ€™ve been
Godâ€™s grace will always be greater than sin

Grace, grace Godâ€™s grace
Grace that is greater than all my sin
Whatever youâ€™ve done
Wherever youâ€™ve been
Godâ€™s grace will always be greater than sin
