

Interlude

No Question

[man] hello

[woman] you ain't no damn good

[man] ho, ho, ho, slow down

[woman] so what you was out gettin' your party on, huh?

[man] yeah, I was at the club this weekend

[woman] yeah, my parents saw you all up on some gutted check

[man] here we go with this "he say, she say" stuff

[woman] my mom told me you wasn't no good

[man] what? I know your mom don't like me

But I don't care

[woman] I just can't trust you no more

[man] I just can't go on like this, I can't

[woman] we just need some time apart from each other

[man] huh? well, if you feel like you gotta leave me

Do what you gotta do
