Wait for Love

St. Lucia

I can't believe what I saw yesterday,
Too many people trying to walk away,
Now I believe that you may disagree,
That there's a reason right in front of me.When are you going to start,
Making up your heart?
It is never too late for love to come back,
I don't know where to go,
I don't know who to show,
There's nothing left but to wait for love.I will wait for love in the morning dew,
I will wait for love when you ask me to,
and when the morning comes I will wait for you,
and in the afternoon I will call on you.
