Kind

Cheyenne Marie Mize

I'll buy you a diamond if you want me to
And past the world, past the world we fly
And we went high, yeah, we flew high
And finally you met me in your dreams
So be very kind
Don't let the world fall on your shoulders
If so, oh, hopefully
I would find, I would find you again
I'll cry with you, honey, if you need me to
I'll dry your tears, dry your tears for you
There is no crime, there is no crime
And you and I were meant to live our dreams
So be very kind
Don't let the world fall on your shoulders
If so, oh, hopefully
I would find, I would find you
Oh, this is just what we need
And this is finally for real
I guess we never wanted anything else
I guess we we never wanted anything
Da, da, da, da, da, da, da, da
And you were right to love me
Be very kind
Don't let the world fall on your shoulders
If so, oh, hopefully
I would find, I would find you
Oh, be very kind
Don't let the world fall on your shoulders
If so, oh, hopefully
I would find, I would find you
I'll buy you a diamond if you want me to
