

# House by the Cemetery

Wednesday 13

I hear the devil and he's calling me  
In the house by the cemetery  
Ghouls and creeps fucking gather 'round  
For the evil that's going down  
Get down! Blood in the cradle, guess your baby's dead  
The boogie man came and chopped off its head  
Knots in the noose, baby duck, duck, goose  
White knuckle paranoia, the stitches coming loose Now you scream in horror  
But there's no need to bother  
So raise your hands up high  
Reach for the sky, motherfucker, die I hear the devil and he's calling me  
In the house by the cemetery  
Ghouls and creeps fucking gather 'round  
For the evil that's going down  
I hear the devil and he's calling me  
In the house by the cemetery This house of horrors has thirteen doors  
Behind each one is thirteen more  
Murder by numbers, count 'em one, two, three  
Nail up the coffin and fucking bury me Now you scream in horror  
But there's no need to bother  
So raise your hands up high  
Reach for the sky, motherfucker, die I hear the devil and he's calling me  
In the house by the cemetery  
Ghouls and creeps fucking gather 'round  
For the evil that's going down  
Get down! Now you scream in horror  
But there's no need to bother  
So raise your hands up high  
Reach for the sky, motherfucker, die I hear the devil and he's calling me  
In the house by the cemetery  
Ghouls and creeps fucking gather 'round  
For the evil that's going down  
I hear the devil and he's calling me  
In the house by the cemetery
