# Carry On

## Kutless

There is strength in my weakness
That only comes from You
There is power in meekness
That I have found in You
Where else can I go

You know I'm weak
I know You're strong
You say when I'm broken
And can't carry on

Carry on
When all my strength is gone
You're still holding on

There is love for the lonely
That only comes from You
There is peace and forgiveness
That I have found in You

Where else can I go

You are the Way
You are the light
You are the voice calling me through the night

(You are Holy and just
Full of mercy and love
You are patient and kind
Your grace has opened my eyes)
