

Beautiful Lady (Shashamane Dubplate)

Gyptian

Yeah, ooh
Ooh no no
I just want you to know
I just want you to know baby Stana nana nanana
Mmmh just the other day mi say I ran into this beautiful lady
She asked me my name
And I told her its Gyptian
Immediately
She say boy I gotta give you something
From her body
And I said baby quickly
She said don't point it to tell nobody
That I give it to you so easy
I said with me baby
You dont need to worry She said mmmmh aaaah
She never felt so right
I said yes oh baby
Bring it on me tonight She said uuuh aaaah
She never felt so right
I said yes oh baby
Bring it on me tonight A woman of my dreams
Uh recall reality
Heart of my self conciousness
And my immortality
I'm the happiest man in the world
Because I have you for my gal
And I promise you my baby
Im gonna take you on thru through out the road She said uuuh aaaah
She never felt so right
I said yes oh baby
Bring it on me tonight She said uuuh aaaah
She never felt so right
I said yes oh baby
Bring it on me tonight Just the other day say I ran into this beautiful lady
She asked me my name
And I told her its Gyptian
Immediately
She say boy I gotta give you something
From ma body

And I said baby quickly
She said don't point it to tell nobody
That I give it to you so easy
I said with me baby
You don't need to worryShe said ooh
Never felt so right
I said yes yea yea yea
Bring it on Gyptian tonightBring it on me
