Transcriber: Awcantor@aol.com Now look-a-here, darlin'

You're the only one I love

Now you know how I feel like, baby

In my heart the star above Oh-oh, baby how can it be?

You's all I got to live for

Now darlin', please don't mistreat me Now you know you's a good little girl

Do anything I say

I wouldn't mistreat you

Not in nary single day Oh-oh, baby how can it be?

You's all I got to live for

Baby, please don't mistreat me Now when I was down, baby

Didn't have a single dime

You'd taken me, baby

Wouldn't pay other men no mind Oh-oh, baby how can it be?

You's all I got to live for

Darlin', please don't mistreat me 'Yas yas' (piano & guitar) 'Go get another half-a-pint'

'And a cool can a-beer' Now you know I love you, baby

Will love you 'till I die

Give you anything, baby

That your heart desires Oh-oh, babe how can it be?

You's all I got to live for

Darlin', please don't mistreat me Now you know I love you, baby

I don't see the reason why

Ev'rytime I see you lookin' at another man

I wants to cry Oh-oh, babe how can it be?

You's all I got to live for

Darlin', please don't mistreat me.~
