Instant Replay

Dan Hartman

(Ten, nine, eight, seven
(Six, five, four, three, two, one)
(Ah, ah, ah, ah)
(Ah, ah, ah, ah)You set my lips on fire
You won the key to my heart
You've got a special way to move me
Don't stop now let's do it againYou keep me dancin' through the moonlight
I feel the pleasure in your touch
And everything you are is heaven
Oh, I can't get enough, no I can't get enough(Instant replay)
I've got to have it
(Instant replay)
Ooh woh ooh-ooh
(Instant replay)
Got to have your love again
(Ah, ah, ah, ah)I feel so good about us
I found a shining star
And when I look
Into your eyes it's magicWell, I just know this can't be a dream
I'm so happy must be real
In every way it's getting stronger
Now you know it, let me show it(Instant replay)
Oh, I've got to have it
(Instant replay)
Woo-woo-woo-ooh
(Instant replay)
Got me floating on a cloud
(Ah, ah, ah, ah)
Got me dancing all around
All around, all around
(Woo)(Instant replay)

I need it, I need it now
(Instant replay)
