Element

nadjana

LetÂ´s go
just get your things and then go out tonight
weÂ´re here
weÂ´re young and free to celebrate our lives
itÂ´s you and me together
weÂ´re not here like this forever

this is my element you know
iÂ´m gonna sing all night for you
my element you know

alright
donÂ´t tell me that you just donÂ´t have no time
itÂ´s right
i think that i can read your mind
if everythingÂ´s in order
we might not live it fast enough

this is my element you know
iÂ´m gonna sing all night for you
my element you know
