

# Promise This (XNRG Remix)

Cheryl Cole

Alouette uette uette  
Alouette uette uette  
Alouette uette uette  
D'Ã©ployer les ailes In my beginning there was nothing  
So empty in the space between  
And you came in, turned the lights on  
And created what it's came to be Before I pluck your wings, cover me, please  
Spread your wings cover me and Promise this, if I die before I wake, oh  
Promise this, take a time to say your grace  
On your knees you pray for me  
Promise this, be the last to kiss my lips Alouette uette uette  
Alouette uette uette  
Alouette uette uette  
D'Ã©ployer les ailes Alouette uette uette  
Alouette uette uette  
Alouette uette uette  
Plumerez les ailes Though I'm walking through the shadows  
You are with me and you comfort me  
Lay me down now, time for sleeping  
But before that would you miss on me Before I pluck your wings, cover me, please  
Spread your wings cover me and Promise this, if I die before I wake oh  
Promise this, take a time to say your grace  
On your knees you pray for me  
Promise this, be the last to kiss my lips Alouette uette uette  
Alouette uette uette  
Alouette uette uette  
D'Ã©ployer les ailes Alouette uette uette  
Alouette uette uette  
Alouette uette uette  
Plumerez les ailes By a thread we're hanging on  
In the hope you don't let go  
If you ever leave me  
No, I wanna go with you Promise this, if I die before I wake oh  
Promise this, take a time to say your grace  
On your knees you pray for me  
Promise this be the last to kiss my lips Alouette uette uette  
Alouette uette uette  
Alouette uette uette  
D'Ã©ployer les ailes Alouette uette uette

Alouette uette uette  
Alouette uette uette  
D'employer les ailes Allouette, d'employer les ailes  
Allouette, plumerez les ailes
