Jerk

Neurotic Outsiders

I don't mind, I don't really mind
Take your time, take your precious time
You're so blind, you're so really blind
But never you mind, cause I just came to grind

You re a bitch, I'm a jerk
I don't think that we can work
You're a brat, I'm a prick
I don't think that we will stick
I'm a cat you're a chick
I think you deserve one more lick
Come on down, come on down, come on down

Be yourself, please be yourself
You're so mean, do you know what I mean?
You're unkind, you're so not my kind
I need time, I need time to unwind

You're a bitch, I'm a jerk
I don't think that we will work
You're a brat, I'm a prick
I don't think that we will stick
I'm a cat, you're a chick
I think you deserve one more lick
Come on down, come on down, come on down

One more lick baby

I got the baby (i got the baby)
From the queenie (from the queenie)
She don't love me (she don't love me)
She don't want me (she don't want me)
I'm so blind (she don't love me)
I'm so fucking blind (she don't love me)
She's blowin' my mind (she don't want me)
She's blowin' my stupid mind

You're a bitch, I'm a jerk
I don't think this is gonna work
You're a brat, I'm a prick

I don't think that we will stick
You're a cunt, I'm a cock
Are you ready, ready to rock?
Come on down, come on down, come on down
