The Other Side

Colton Dixon

Everybody's dressed in black
The preacher's saying life goes too fast
The memories have turned to tears
Thinking back on all the yearsI know that you're in a better place
But I'm still here missing you todayIt isn't easy to say goodbye
But I know it's only for a little while
Run up ahead and I will catch up
'Cause I'm gonna see you when tomorrow comes
On the other side
On the other side
I bet you feel you're finally home
Running down those streets of gold
The kind of peace you can't explain
Looking into Jesus' faceI know that you're in a better place
I know I'll be joining you somedayIt isn't easy to say goodbye
But I know it's only for a little while
Run up ahead and I will catch up
'Cause I'm gonna see you when tomorrow comes
On the other sideWhere there are no more goodbyes
No more pain, no more tears left to cry
We will join with the angels singing their song
Praising our savior, all the day long
It isn't easy to say goodbye
But I know it's only for a little while
Run up ahead and I will catch up
'Cause I'm gonna see you when tomorrow comes
On the other side
On the other side
On the other side
On the other side
