Brother Hawk

The sound of cars rushing byâ€¨
is all I have to keep me company at night.
I toss and turn, try to close my eyes,
but nothing seems to block out the light.
I dream of lying in the moonlight.â€¨
I dream of sleeping next to you at night.
The heat of the day is coming through my blinds,
so is the sound of the city coming to life.â€¨
All I need are some comforting sounds.â€¨
All I need is you to be here now.
