Hurt

[Christina Aguilera](#)

Seems like it was yesterday when I saw your face
You told me how proud you were, but I walked away
If only I knew what I know today
Ohhh ohhhI would hold you in my arms
I would take the pain away
Thank you for all you've done
Forgive all your mistakes
There's nothing I wouldn't do
To hear your voice again
Sometimes I want to call you, but I know you won't be thereI'm sorry for blaming you for everything I just couldn't do
And I've hurt myself by hurting you
Some days I feel broke inside, but I won't admit
Sometimes I just want to hide 'cause it's you I miss
You know it's so hard to say goodbye when it comes to thisWould you tell me I was wrong?
Would you help me understand?
Are you looking down upon me?
Are you proud of who I am?
There's nothing I wouldn't do
To have just one more chance
To look into your eyes and see you looking backI'm sorry for blaming you for everything I just couldn't do
And I've hurt myselfIf I had just one more day, I would tell you how much that
I've missed you since you've been awayOh, it's dangerous
It's so out of line to try to turn back timeI'm sorry for blaming you for everything I just couldn't do
And I've hurt myselfBy hurting you
