Along the world axis  
The Empress lay sleeping  
To the rhyme of the  
Of the, of the star clockSeven sleepers  
Seven sages  
Seven ladders to the  
To the seventh heavenSeven stars  
Had Ursa Major  
Tables turning, turning  
And rain makerWhile the seven  
The visitors  
All went, all went  
A drummingDance a Don Pedro  
Do the Don Pedro  
Games after death  
Night dances 'round  
Samedi and Petre in AlchemySalute the four quarters  
Before I leave your eyes  
Twinned in the mirror  
Les Mesteres comeEnd me adoration  
Before I leave your eyes  
World in the mirror  
Waters of amnesia comeDo you know  
(Do you know)  
Do you know  
(Do you know)Do you know  
(Do you know)  
Do you know  
(Do you know)The court of Eve  
Beneath the Polar Mountain  
Rose cross and crosser there  
Symbols of the swanAerial races  
In rotation over  
The magical casement  
Visions of a parallel worldDance a Don Pedro  
Do the Don Pedro  
Games after death  
Night dances 'round  
Samedi and Petre
