

# Sweetest Joy (feat. 2 Chainz)

Kevin McCall

I'm balling like somebody threw a hell mess  
So much paper, think I need another secretary  
I'm filthy fucking rich, this can't be sanitary  
Money tossing, you know I had a hell of the gwap  
You can hear it in my vocabulary!  
And I live for the money  
I need it more than a blunt flowin in my capillaries  
I got a whole lot of ice and a whole lot of cash  
Who everything around me call that business jury's  
I die for the money!  
Real ass niggas, never lie for the money  
Smilin in my face, but it won't be funny  
When the goons waitin for you outside for the money  
So I suggest you pay me what you owe me nigga  
Real recognize real, you don't know me, nigga  
Time is money, spent the century on a rolly nigga  
Cause you gotta watch these bitches, and all these conniving niggas!  
Some of these bitches, they think I'm paying for the pussy  
Give you the finger, but I ain't playing with your pussy  
I ain't a killer, but don't push me  
Getting money is the sweetest joy next to getting pussy!  
I ain't a killer, but don't push me  
Getting money is the sweetest joy next to getting pussy!  
I ain't a killer, but don't push me  
Getting money is the sweetest joy next to getting pussy! I'm balling like somebody threw a ally hoop  
Going broke is probably something that I'll never do!  
Fall in love with the pussy, that's real too  
I drop the top and I hop out and I salute, hatchu!  
I'm cold on em, big money won't follow on em  
Car so pretty, I'm a have to put a roll on it  
Fuck them niggas that total on me  
Go rolling, new pussy, fall on it!  
Turn it out, turn it on, remote control, homie!  
They go suicide, tell them, "let's ride!"  
Eat the pussy, beat them wet, I'm a scuba dive!  
You got some nerve, nigga, rookie night  
If the bitch wanna fuck, I tell her get in line!  
Some of these bitches, they think I'm paying for the pussy  
Give you the finger, but I ain't playing with your pussy

I ain't a killer, but don't push me  
Getting money is the sweetest joy next to getting pussy!  
I ain't a killer, but don't push me  
Getting money is the sweetest joy next to getting pussy!  
I ain't a killer, but don't push me  
Getting money is the sweetest joy next to getting pussy!
