

# Things Are Looking Better

## Demetrius West and Reflections of God Chorale

Artist: Demetrius West and Reflections of God Chorale

Songwriter: Ananais "Markey" Montague I've got a reason to lift my head high

Things are looking better ya'll in my life

You don't know the nights I've laid and cried

Things are looking better ya'll in my life My struggles have come to an end

My season shall begin

Said I'm gonna keep on praising and I'm gonna keep believing

Things are looking better (repeat)

Things are looking better for me (ohhhh) Its on the way...better days are coming
