Flood

Sebadoh

A cap comes off the 40 ounce
The bowling captain's out to pounce
Uncap the joy, out of control
The night cat goes within my soulYeah, all right
Gonna ride with the flood tonight
Yeah, all right
I'm gonna ride with the flood tonightThe girls, the bars
We're smoking joints in the car
A hundred miles an hour through the meadows
I'm stump-jumpin' drunk from the get goYeah, all right
We're gonna ride with the flood tonight
Yeah, all right
We're gonna uncap with flood tonight, let's goThe night cat makes me wanna sing
Because I don't feel a thing
Except all the joy in the world
Come on, get in the car, let's goYeah, all right
Gonna ride with the flood tonight
Yeah, all right
I'm stump-jumpin' drunk from the get goStump-jumpin' drunk and let's go
Stump-jumpin' drunk and let's go
